Message from our Administrator

As we step into July — a month filled with sunshine, celebration, and the joy of summer — we're reminded that home is more than just a place. It's where we feel safe, valued, and loved. At Danville Support Services, we believe that **"Home Is Where the Heart Is"**, and that's exactly the spirit we aim to bring to every client we serve.

Whether it's a kind word, a familiar face, or the comfort of a helping hand, our caregivers are the heart of what makes home special. This month, we honor the deep connections formed in the everyday moments — the stories shared, the laughs exchanged, and the quiet care given.

Thank you to our incredible team for bringing heart into every home. And to our clients and families, thank you for letting us be part of your lives. Here's to a July full of warmth, comfort, and community.

With gratitude,

Warm regards,

- **Marisol Aguirre Rochin**
